Eganville & Area Community Development Group

P.O. Box 724

Eganville

Ontario K0J 1T0

January, 2019

Dear Friend of Eganville:

In its almost two years of existence, the Eganville and Area Community Development Group (EACDG) has organized some pretty enjoyable events and embarked on a couple of interesting projects. The annual Canada Dinner-on-the-Bridge and the Great Canadian Cheese Box Race are two such events that have created a lot of fun and pleasure, and helped raise money for such projects as McRae Lookout Park along the Bonnechere, new signage welcoming visitors to the community and other projects.

We are now embarking on our largest project to date, building a boardwalk along the Bonnechere River behind the former Eganville Creamery. It will be known as Egan's Landing after the founder of the village, John Egan.

This \$220,000 project is well underway and is scheduled for completion in the summer of 2019. Already \$108,000 has been committed to the project, leaving a balance of about \$112,000 to raise.

Below is information regarding project costs and fundraising. We are asking you to consider a donation to this project.

The boardwalk will greatly enhance the north shore of the Bonnechere and become a popular attraction for visitors and locals when completed. Future plans by private enterprise to renovate and create residential and business spaces in the old creamery building will revitalize this core area of the community.

We hope you will consider supporting this cause for the benefit of the community and area. It is one more project the EACDG is undertaking to revitalize the Eganville area and make it more appealing to everyone.

If you have any questions relating to this project and this request, any one of the executive committee members listed below would be more than happy to meet with you.

Thank you for your time and consideration, and hopefully we will be able to count on your participation.

Sincerely,

Gerald Tracey

Executive Committee Members: Gerald Tracey, President; Don Bishop, Past President; Claude Chartrand, Vice-President; Maria Robinson, Treasurer; Diane Moore, Secretary; William Enright, Director

# Egan's Landing Boardwalk & Dock Project

Be Part of History... the Revitalization of Downtown Eganville

The Eganville and Area Community Development Group (EACDG) has been working over the last 16 months to get design, engineering, permissions and technology in place for one of its more ambitious projects, the **Egan's Landing Boardwalk & Dock** in front of the old creamery. The EACDG is now in the fundraising phase, with the 2018 inaugural Cheese Box Race down the Bonnechere River having been our kick-off event.

Please consider being part of history by having your family or business name attached to this ambitious project which will change the way we use and appreciate our downtown and river area.

Contact Don at [don@bishopwater.ca](mailto:don@bishopwater.ca) or 613 639 3474 if you require further information.
